HOW TO PREP FOR A FLAWLESS SPRAY TAN

SKIN PREP: THE KEY TO A FLAWLESS SPRAY TAN

PROPER SKIN PREPARATION IS THE MOST IMPORTANT STEP IN ACHIEVING A BEAUTIFUL, EVEN, LONG-LASTING SPRAY TAN. TAKING A LITTLE TIME TO PREPARE YOUR SKIN WILL HELP YOUR TAN DEVELOP EVENLY, PREVENT PATCHINESS, AND MAXIMIZE ITS LONGEVITY.

24 HOURS BEFORE YOUR APPOINTMENT

- Exfoliate your entire body with a non-oil-based exfoliating mitt, glove, or gentle scrub, paying extra attention to dry areas like elbows, knees, ankles, hands, and feet.
- Remove any old spray tan with an exfoliating mitt or tan remover if needed.
- Complete all shaving or waxing at least 24 hours before your appointment to allow pores to close and help prevent dark dots or uneven absorption.
- Avoid heavy lotions, oils, or body butters after exfoliating.

THE DAY OF YOUR APPOINTMENT

- Make sure your skin Is clean and dry, and without lotion, moisturizer, body oil, perfume, body spray, makeup, or deodorant.
- If you've exercised before your appointment, shower and cool down beforehand.
- You can shower 2 or more hours before your appointment to remove any products. You may also choose to remove your contact lenses If you will be tanning your face.

WHAT TO WEAR

- Wear loose-fitting, dark-colored clothing and, if possible, flip-flops or loose sandals. Loose underwear or a swimsuit is also fine. Avoid any tight clothing after your appointment. Disposable bra and thongs will be provided.

WHY SKIN PREP MATTERS

PROPER SKIN PREPARATION HELPS TO CREATE A SMOOTH, EVEN CANVAS FOR YOUR TAN, REDUCES STREAKINESS AND PATCHINESS, PREVENTS DARKER COLORING ON DRY AREAS, EXTENDS THE LIFE OF YOUR TAN, AND PROMOTES A MORE NATURAL-LOOKING FADE.

FOLLOWING THESE PREPARATION INSTRUCTIONS HELPS ENSURE YOU GET THE BEST POSSIBLE GLOW AND THE LONGEST-LASTING RESULTS. PLEASE DO NOT HESITATE TO CONTACT KELLI CLARK IF YOU HAVE ANY ADDITIONAL QUESTIONS REGARDING YOUR SPRAY TAN.
